## Final Frontiers and Border Towns

*"I will stand at my watch and station myself on the ramparts; I will look to see what He will say to me"*  
(Habakkuk 2:1).

*"I will fix your boundary from the Red Sea to the sea of the Philistines, and from the wilderness to the River Euphrates; for I will deliver the inhabitants of the land into your hand, and you will drive them out before you (Exodus 23:31). "...and He made from one man every nation of mankind to live on all the face of the earth, having determined their appointed times and the boundaries of their habitation (Acts 17:26)*  
*"When the Most High gave the nations their inheritance, when He separated the sons of man, He set the boundaries of the peoples according to the number of the sons of Israel" (Deuteronomy 32:8).*  
*"You also gave them kingdoms and peoples And allotted them to them as a boundary. They took possession of the land of Sihon the king of Heshbon And the land of Og the king of Bashan" (Nehemiah 9:22).*  
*"You have established all the boundaries of the earth; You have made summer and winter" (Psalm 74:17). "The LORD will tear down the*

*house of the proud, But He will establish the boundary of the widow" (Proverbs 15:25). "For I will drive out nations before you and enlarge your borders, and no man shall covet your land when you go up three times a year to appear before the LORD your God" (Exodus 34:24).*

Someone once said *"Unless you put the jars out when it rains, you will never collect the water."* If we don't stand in our towers, watching the horizon for Israel and her people, we will never be spiritually alert for what God is doing in the latter times, in Israel, and among the nations, and how what happens in Israel, will affect the nations. Every nation has its borders that protect and promote safety for the people of the country. Borders also define the people who live behind them; they protect infrastructures, and maintain peace between governments that may be surrounding each nation. Borders also keep the wrong people from trespassing on someone else's land, very important today when ethnic groups are losing their identities because of strangers who wish to take away their heritage and traditions, not to mention their individual freedoms. We may all wish we did not have borders between lands and people. That might be the perfect situation but until the Lord Returns, peace will not be found on the earth, and only He, the Prince of Peace, can break down barriers and borders, whether they be in the minds of individuals, or physical ones. However, the Bible does tell us that the LORD Himself set the borders of nations, and He also set the borders of His Chosen People: Israel. Therefore, with respect to the Lord, we honor the Land that was given to the Jewish people, and also respect the boundaries of the nation, in order to protect and keep the Jewish people safe. Little Israel has been protecting her borders, and boundaries which God gave to her, ever since He miraculously brought her back home to the Land. Coming Home again for the Jewish people is a Biblical command, a holy Aliyah (coming up) which God ordered for His People. All of the signs of the return, the rebuilding, the reforestation, the reclaiming of land to farm and produce, the return of the holy language of Hebrew, the dry bones emerging from the ashes of Europe, the advancements and blessings by the Hand of God, have all made Israel the most amazing country/nation, on earth. Yes, the borders of Israel were decreed by Almighty God, and none dare try to move those borders because they are holy borders, they are in place as God chose them to be, and in the future will expand, to receive His Holy Kingdom on earth. Let us all stay at our stations, be patient and not grow weary in praying for Israel, believing the promises of God for her, and staying excited for what God is going to do here in the Land, and among the people. When we pray for her borders to be safe and secure, let us also pray that those behind the borders of hatred and unrest, will be saved and come to the knowledge of the One True God, the God of Abraham, Isaac and Jacob. May they know the real Messiah who died for Israel, and the whole world. Stay at your station to pray – watching and knowing that God is fulfilling His Word, and will continue to do so, until He Comes.

# Let's Move into the Throne Room of Prayer

- **Pray fervently** for supernatural alertness on our borders, i.e., that all soldiers will be sensitive in the spirit, to what is happening on all four borders. ***“Do not forsake wisdom, and she will protect you; love her, and she will watch over you. The beginning of wisdom is this: Get wisdom. Though it cost all you have, get understanding”*** (Proverbs 4:6-7).
- **Pray and Praise** for opening the windows of heaven and pouring out waterfalls of rain this past winter. ***“The LORD will send rain at the proper time from his rich treasury in the heavens and will bless all the work you do. You will lend to many nations, but you will never need to borrow from them”*** (Deuteronomy 28:12).
- **Thank God** for His Choice of a leader for Israel during these difficult times. We pray for the day when the Lord will be present on earth and the Leader of His People. ***“Every person is to be in subjection to the governing authorities. For there is no authority except from God, and those which exist are established by God”*** (Romans 13:1).
- **Beseech the Lord** that all Israeli soldiers will be believing men and women of God. That all unbelief or apathy toward God would be gone and a new spirit of love for God's Word – the Tanach, and an awakening to God would please God, as defenders of the nation. ***“And he will go on before the Lord, in the spirit and power of Elijah, to turn the hearts of the parents to their children and the disobedient to the wisdom of the righteous – to make ready a people prepared for the Lord”*** (Luke 1:17). ***“And he will turn the hearts of the fathers to their children, and the hearts of the children to their fathers. Otherwise, I will come and strike the land with a curse”*** (Malachi 4:6).
- **Bow in humble adoration** for all of the promises which God has made to Israel (just as He has made to all believers), that He is not a man that can ever lie, and that He never makes a mistake (a quote from Derek Prince). ***“God is not a man, that he should lie; neither the son of man, that he should repent: hath he said, and shall he not do it? or hath he spoken, and shall he not make it”*** (Numbers 23:19).
- **Thank God** for the beauty of the Land, the clean air, the colors which sparkle in the sun, the productivity of the Land, and the fulfilling of God's promises to Israel that we see before our eyes. ***“Even the wilderness and desert will be glad in those days. The wasteland will rejoice and blossom with spring crocuses”*** (Isaiah 35:1).

It is spring in Israel, and we have never seen it more beautiful. The abundance of rain fell and brought forth even more beauty for this God blessed Land. Come to Israel to visit and see the Land this year, experience the breath of God which has been spread across the entirety of this special piece of holy ground. Thank God that He gave the borders, and the right for the Jewish people to come back home, re-establish their Land and prepare for the Coming of Messiah. We know that the Lord will return in God's Timing, but the signs of the times, the blossoming of the desert like the rose (especially this year), the abundance of waterfalls, the beauty of the colors of Joseph's coat across the entire land, its valleys, ravines, wadis, and country side is something special to behold. Thank you for praying for the safety and security of Israel's borders, and pray that the angels of God will stand with swords drawn, to ward off any evil spirits with malicious intentions to kill, steal or try to destroy, or try to keep God's Name from being sanctified in this place. So we pray a spiritual outpouring of God's Spirit will soon bring the people into a closer relationship with God, and an understand of redemption. Thank you to each and every prayer warrior standing at their stations. Keep the flag of prayer planted firmly in the ground and continue to “look up”.

Sincerely in the Lord,

**Sharon Sanders**
